... words from the most important people i.e. readers

... story of 3 friends that inspires Youngistan, every eye that has a camera would definitely find a lot worth following in the novel.

... didn't help myself for not reading this book at one go in a single night. *Hussain*

... right from the heart. People who crave for something to read, this is going to be like a fresh air. *Syeda*

... of the most beautiful and inspiring book that I ever read. I would strongly recommend the book to everyone who wants to make his dreams true. Every dreamer must read the book to make his heart and dreams! *Amalika*

... a good combination of an inspiring and entertaining book... liked it on page 3 itself. *Ahmed*

... it read... one can relate to his/her own life. *Ahmed*

... roughly enjoyed reading this book. It is a great story told with simplicity. Can be made into a movie. *Sundus*

... amazing and addicting book, you will fall in love with it. I would recommend it highly to the readers who seek inspiration and like to dream in life. *Rudwan*

JOGI *is a* – Tough to define the big existence in small words but more of a dreamer, learner, leader, reader, traveler, explorer and changemaker than just being an IT professional.

Hey Rohit,

To star with, I want to thank you for agreeing to take up this small one-page project at short notice. You were quite patient to undertake all suggested changes and you were gracious enough to allow me to play with your Figma file. Overall I loved the fact that you were approachable at all times.
